

## **Spanish Enrichment After-School Program At ECCS for K-3<sup>rd</sup> Grade Students**

---

East Cobb Christian School will again be offering the after-school Spanish Enrichment Program for spring 2018.

Our class is taught by an experienced and certified Spanish classroom teacher. Our teacher, Marilyn Milley, creates a fun and productive learning environment where the children have an opportunity to establish beginning language and basic conversation skills. Mrs. Milley incorporates games, role play, music and various other activities into each lesson, in order to build and maintain your child's enthusiasm for learning a new language.

As the classes progress through the 14 week session new units and topics will be introduced and units from previous sessions will be reviewed. The content covered will be similar for all the students in a class yet individualized for each student or group of students. The levels of materials will depend upon each child's experience and skill with the language. The material presented will vary among the children in vocabulary, phrases, writing and reading. This allows the each child the opportunity for new content, repetition, and continued practice and individual growth.
